DECLARING THE PERIOD FROM SEPTEMBER 16 TO OCTOBER 14, 1998 AS THE "LIGTAS TIGDAS MONTH" AND LAUNCHING THE PHILIPPINE MEASLES ELIMINATION CAMPAIGN

WHEREAS, more than 3,000 Filipino children die every year due to measles and its complications and more than 12,000 others suffer the effects of the infection;

WHEREAS, there exists a very potent and effective vaccine to prevent measles and that immunization has been proven to be the most cost-effective way to prevent transmission of many illnesses;

WHEREAS, treating measles or its complications costs the health care delivery system about 45 million pesos a year;

WHEREAS, mass measles vaccination of children has been demonstrated to be an effective way to eliminate this disease;

WHEREAS, the Philippines is the first country in the Western Pacific Region which is ready to undertake mass measles vaccination targeting more than 26 million children;

WHEREAS, such an ambitious campaign necessitates wide and sustained multi-sectoral collaboration by every organization, agency and citizen;

NOW, THEREFORE, I, **JOSEPH EJERCITO ESTRADA**, President of the Philippines, by virtue of the powers vested in me by law, hereby declare the period from September 16 to October 14, 1998 as the "Ligtas Tigdas Month" and the beginning of a nationwide campaign against measles called the Philippine Measles Elimination Campaign with the goal of "zero" measles by the Year 2008. Free measles vaccines shall be given to all children currently residing in the Philippines between the ages of nine (9) months to less than fifteen (15) years.

Active multi-sector involvement is hereby urged to ensure the success of this campaign, primarily from the following agencies, organizations and their heads:

1. **The local government units:** to lead the local implementation of the campaign, exerting special effort to encourage every family to have their children immunized so that 100% of the target children are vaccinated. This will mean active masterlisting of all targeted children, provision of locally needed supplies such as cotton balls, ice, travelling expenses and food for vaccinators, and deployment of health center staff in each school and barangay to provide the vaccination within the **Ligtas Tigdas Month**.

2. **The Department of Education, Culture and Sports:** to exert all efforts in informing all parents and guardians of target school children about the purposes and benefits of the Philippine Measles Elimination Campaign so that they will agree to have their children vaccinated in all schools, preschools, colleges and universities, both public and private. Also, adequate number of days (between 1-3 days) within the **Ligtas Tigdas Month** should be set aside for measles vaccination in each school. The actual dates of vaccination shall be coordinated with the local health center staff.

3. **The Department of the Interior and Local Government:** to exert all efforts to mobilize its field officers to disseminate the purposes and benefits of the campaign and the roles and responsibilities of the local government executives, including the monitoring and submission of timely and complete reports pertaining to the campaign.

4. **The Department of Health:** to lead the national implementation of the campaign (a) by mobilizing resources to provide all the essential supplies, such as vaccines, needles and syringes, disposable supplies collector boxes, forms and information, education, communication materials; and (b) by formulating and disseminating all the necessary detailed guidelines and procedures on the various components of the campaign, including follow-up mass vaccinations, measles surveillance and others, and (c) by coordinating all national and regional activities pertaining to the campaign. As lead agency, the DOH may call on the assistance of any government or non-government agency, civic and religious groups, international organizations and industrial establishments and other concerned sectors to achieve the goals of the campaign and ensure its success.

5. **Other government agencies and non-government organizations:** to actively participate in all aspects of the campaign.

To ease the burden for parents and guardians of targeted children, government-employed parents and guardians of children within the target age range of 9 months to less than 15 years old shall be entitled to one (1) half-day leave with pay when they bring their children for measles vaccination during the **Ligtas Tigdas Month**.

Likewise, any individual employed in government who desires to volunteer either as vaccinator or health educator/recorder for the campaign shall be allowed to render this service as the equivalent of her/his work with due concurrence by the head of the offices concerned.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the Republic of the Philippines to be affixed.

CONVERTING THE CARAGA REGIONAL SPORTS COMPLEX AND GOVERNMENT CENTER, COVERED BY PROCLAMATION NO. 1044, DATED JULY 17, 1997, INTO THE BUTUAN CITY MULTI-PURPOSE TRAINING CENTER

WHEREAS, on July 17, 1997, former President Fidel V. Ramos issued Presidential Proclamation No. 1044 which converted the proposed Butuan City Sports Complex and Government Center, situated along Km. 3, Brgy. Libertad, Butuan City, into the "CARAGA REGIONAL SPORTS COMPLEX AND REGIONAL GOVERNMENT CENTER";

WHEREAS, Proclamation No. 1044 was issued without sufficient basis as it failed to consider the basic requirements of a Regional Sports Complex and a Regional Government Center;

WHEREAS, the Sangguniang Panlungsod of Butuan City vigorously opposed the issuance of Proclamation No. 1044 for lack of proper planning, considering that the site thus proclaimed, having an area of only 54,845 square meters, was too small and could not operationally accommodate both a Regional Sports Complex and a Regional Government Center, aside from being a potential cause for traffic congestion in the national highway due to lack of parking space;

WHEREAS, in lieu of the 54,845 sq. m. site under Proclamation No. 1044, the City Government of Butuan acquired a land with an area of 36.5498 hectares, situated in Barangays Ampayon and Tiniwisan, Butuan City, as site of the CARAGA Regional Government Center;

WHEREAS, the Regional Development Council (RDC), CARAGA Region, has favorably indorsed SP Resolution No. 770-98 of the City of Butuan establishing the CARAGA Regional Government Center in the 36.5498 hectare site in Barangays Ampayon and Tiniwisan, Butuan City, and to revoke Proclamation No. 1044 accordingly;

NOW, THEREFORE, I, JOSEPH EJERCITO ESTRADA, President of the Philippines, by virtue of the powers vested in me by law, do hereby amend Presidential Proclamation No. 1044, dated July 17, 1997, and hereby declare the site covered thereby instead as the BUTUAN CITY MULTI-PURPOSE TRAINING CENTER.

WHEREAS, Section 2 of R.A. No. 720 otherwise known as the Rural Banks' Act as amended by R.A. No. 7353, known as the New Rural Banks' Act of 1992, provides as follows:

"SEC. 2. It shall be the declared policy of Congress. To promote and expand the rural economy in an orderly and effective manner by providing the people of the rural communities with the means of facilitating and improving their productive activities, and to encourage cooperatives. WHEREAS, in view of their location, rural banks are the most widespread and dispersed formal banking institutions, and accordingly, they have the strategic capability of delivering the much needed credit services to the rural poor, the broad masses of farmers, fisherfolks and millions of provincial households and therefore, they play a vital role in ensuring the success of the poverty alleviation program of the government;

WHEREAS, Great Britain is the biggest investor country in the Philippines and has infused a total of One Hundred Thirty Four (P134B) Billion in investments and that it is noteworthy that this remarkable increase, of trade and commerce and cultural activities between the two countries was achieved under the Estrada Presidency. It is likewise notable that the construction of the Salaam Bridges for Peace in Mindanao is being aggressively undertaken under the Estrada administration;

And, during this historical event, the British Fleet, consisting of 13 ships and 6,830 men (British and Indian troops) entered Manila Bay on September 22, 1762 and after days of fierce battle, Manila fell into British hands on October 5, 1762;

WHEREAS, the British government during its brief occupation of the Philippines was responsible for the establishment of the city government of Manila under a British city mayor and the opening of Manila to foreign trade; and the British occupation of the Philippines thrust the country into the limelight of world attention. This footnote in our country's history broke the stature of invincibility of Spain and which led to the various local revolts led by Diego Silang in Ilocos and by Juan de la Cruz Palaris in Pangasinan;

WHEREAS, many Sepoy (Indian) soldiers who deserted the British army, settled in the town of Cainta, Rizal and intermarried with Filipino women. The present day people of this town have dark round eyes, high aquiline noses, wavy dark hair and dark complexion — attesting to their Indian ancestry;

WHEREAS, the Society has a counterpart organization based in London, England which is called the British-Philippine Society and that the proclamation of the Philippine British Friendship Day will further enhance British Philippine relations in Great Britain; and that such proclamation will enthuse Philippines and British based organizations which evince interests common to both countries such as the British Alumni Association of the Philippines whose members are graduates of prestigious British Schools and are now in the country holding responsible positions in government and in business.

NOW, THEREFORE, I, JOSEPH EJERCITO ESTRADA, President of the Philippines, by virtue of the powers vested in me by law, do hereby declare December 7, 2000 and every year thereafter as Philippine British Friendship Day.
